REV 08/20

Any features and/or elevation rendering is an artist's conceptual rendering intended to provide a general overview of any and all rendering items. All details, materials and specifications for any home, its features and fixtures are representative and may depict floorplans, elevations, fixtures, appliances, landscaping, and other features and amenities that are not included as part of the home and/or may not be available for the full suite of all construction. Renderings may not be drawn to scale. Square footages and dimensions are approximate and may vary in construction and depending on the standard of measurement used, including any material requirements, or other site specific conditions. Home may be constructed with a different finish than shown in the rendering. Plans are copyright and/or otherwise subject to intellectual property rights of Meritage Homes and others and cannot be copied, sold, or used in any way without the express written consent of Meritage Homes. Plans and specifications are subject to change, and homes to purchase, at any time without notice or obligation. Pictures and other graphics are illustrative and may depict conditions that exist, such as landscaping, artwork, lighting, appliances, and accessories, and may not be included as part of the home and/or may not be available in all jurisdictions. Other is not real property and only for reference and located at the sales center for individual Meritage Homes communities. See sales centers for details. Meritage Homes®. Selling the standard for energy-efficient homes.™ Rev. 08/20. Renderings are prepared in accordance with Meritage Homes Corporation. ©2020 Meritage Homes Corporation. All rights reserved.
