REV 08/20

Any floorplan and/or elevation rendering is an artist's conceptual rendering intended to provide a general overview. Not all options, upgrades, landscaping, and other features and amenities that are available, used or shown in homes and/or may not be available for sale in the community. Furnishings may not be shown to scale. Square footages and dimensions are approximate and may vary in construction and depending on the standard of measurement used, engineering and manufacturing requirements, or other site-specific conditions. Homes may be constructed with a floorplan that is the reverse of the floorplan rendering. Plans are copyrighted property of Meritage and/or others and cannot be reproduced or used without their consent. Plans and specifications, home features, and community information are subject to change, and homes may be sold at any time without notice or obligation. Pictures and other promotional materials may depict options and may include furniture, decorations, and landscaping that are not included with the home. Actual square footages, availability, options, upgrades, landscaping, furnishings, appliances, and designer/decorator features and amenities that are not included as part of the home and/or may not be available in all communities. Not all elevations or floorplans are available in all neighborhoods. Offers to sell real property may only be made and accepted at the sales center for individual Meritage Homes communities. See sales associate for details. Meritage Homes®, Setting the standard for energy-efficient homes®, and Life. Built.
