The foyer of the Douglas opens to a spacious great room that adjoins the gourmet kitchen and dining area. Sliding glass doors lead to a roomy covered patio. This plan offers flexible space with two den options, one of which could easily become a home office. The private master suite is tucked into the back corner of the home and overlooks the backyard. It features a walk-in closet and master bath with a large shower and dual sinks. An indoor laundry room off the garage offers additional convenience.

The Douglas features superior energy efficiency with state-of-the-art, energy-efficient construction, appliances and lighting. This means lower energy bills and environmental sustainability.
