The two-story Emerald features a remote one bedroom, full bathroom suite with walk-in closet downstairs, which would be perfect for teen or in-law quarters. The downstairs living area include a separate formal living room and large family / dining room adjoining the gourmet kitchen with breakfast bar. A sliding glass door opens to the covered patio, which can also be built as an outdoor living area with optional fireplace. Upstairs are three more secondary bedrooms that share a full bath and a loft. The master bedroom adjoins a spacious master bath that features a separate soaking tub and shower and a walk-in closet.

The Emerald features superior energy efficiency with state-of-the-art, energy-efficient construction, appliances and lighting. This means lower energy bills and environmental sustainability.
