The foyer of the Bronze opens to a hall on one side that leads to a formal dining room and on the other side two bedrooms and a shared full bathroom. Both bedrooms have walk-in closets and one can optionally become a den or home office. The spacious living quarters feature a gourmet kitchen with island and breakfast bar, a dining nook and a great room, all of which overlook a large covered patio or outdoor living option with optional fireplace. The remote master suite is truly a retreat, with a master bath that features separate soaking tub and shower, his and hers sinks and a roomy walk-in closet.

The Bronze features superior energy efficiency with state-of-the-art, energy-efficient construction, appliances and lighting. This means lower energy bills and environmental sustainability.
