The two-story Diamond is a unique plan with spacious living areas and master suite downstairs and secondary bedrooms, two full bathrooms with loft and den options upstairs. The foyer opens to the living / dining room. Beyond that lies a great room that adjoins the gourmet kitchen and nook, all of which overlook a covered patio and backyard. The patio can be optioned as an outdoor living space with built-in fireplace. The remote master suite features a large walk-in closet and master bathroom with dual sinks and a separate shower and soaking tub. A downstairs powder room for guests and an indoor laundry room add to the convenience of this plan.

The Diamond features superior energy efficiency with state-of-the-art, energy-efficient construction, appliances and lighting. This means lower energy bills and environmental sustainability.
