The covered porch of the Crystal leads to a spacious foyer. On one side of the home are three bedrooms with walk-in closets, a full bathroom, a powder room and a laundry room. Straight ahead the spacious living area features a great room that adjoins a gourmet kitchen with island and breakfast bar and dining area, all of which overlook a large covered patio that can be built as an outdoor living area with optional fireplace. The private and remote master suite features a bathroom with separate soaking tub and shower, walk-in closet and two separate sinks. The garage of the Crystal has enough room for two cars plus a golf cart or another compact car.

The Crystal features superior energy efficiency with state-of-the-art, energy-efficient construction, appliances and lighting. This means lower energy bills and environmental sustainability.
