## ABOUT THE YORKTOWN

The main floor of the Yorktown was designed for entertaining, offering an expansive great room with an open dining room overlooking a covered patio and backyard and a well-appointed kitchen with a large center island. The 3-car garage leads to a convenient mudroom with walk-in closet, a powder room and a private study. On the second floor, there's an immense loft surrounded by three bedrooms, a shared bath, a laundry room and a master suite with its own bath and spacious walk-in closet. Options include a morning room, an extra bedroom and deluxe bath options.

**What's a HERS® Index?** HERS stands for Home Energy Rating System, a system created by RESNET® to measure home energy efficiency. A Projected HERS index or rating is a computer simulation performed prior to construction by a third-party HERS rater using RESNET-accredited rating software, rated feature and specification data derived from home plans, features and specifications, and other data selected or assumed by the rater. The projected HERS index is approximate and is subject to change without notice. Actual results will vary.
