ABOUT THE LARIMAR

The ranch-style Larimar plan offers a seamless blend of style, comfort and functionality. The heart of this home is its open, airy kitchen, which features a center island, walk-in pantry and dining room, and flows into an inviting great room with stylish center-meet doors that provide access to the covered patio. The large master suite boasts a well-appointed bath and an oversized walk-in closet, and three additional bedrooms provide ample space for rest and relaxation. Personalization options include a private study, third bathroom and tandem garage!

What's a HERS® Index? HERS stands for Home Energy Rating System, a system created by RESNET® to measure home energy efficiency.®

A Projected HERS index or rating is a computer simulation performed prior to construction by a third-party HERS rater using RESNET-accredited rating software, rated feature and specification data derived from home plans, features and specifications, and other data selected or assumed by the rater. The projected HERS index is approximate and is subject to change without notice. Actual results will vary.
