The expansive Carter makes great use of space. Enter from the spacious covered front porch, through the elegant foyer and gallery, to the back of the house and the adjoining great room and gourmet kitchen/dining areas. The dining area opens onto the back yard and large covered patio, which can be optionally expanded.

Three ample bedrooms are at the front of the house. The master bedroom in the back of the house has a large private bath with linen closet and large walk-in closet. The sizable laundry room has a sink and optional cabinetry. The second two-car garage can be optioned to an RV garage.

The Carter features superior energy efficiency with state-of-the-art, energy-efficient construction, appliances and lighting. This means lower energy bills and environmental sustainability.
