What is a home warranty? A home warranty is a renewable service contract offering protection for a home's major systems and appliances. First American offers protection to homebuyers, sellers, and current homeowners.

A home warranty can protect home sellers from costs and delays during the listing period as well as protect homebuyers from costly breakdowns after closing.

2

Do I need a home warranty? Home warranty coverage is the best way to protect your budget against expensive home system and appliance failures. A home warranty can also take the stress and hassle out of repairing or replacing home systems and appliances when they break down.

3

What are the benefits? With a First American home warranty, when a covered system or appliance fails, if we can't repair it, we'll replace it.* We have a network of independent pre-screened service providers and we are committed to providing you with outstanding service and value.

4

What's covered? See page 7 for a sample contract of our product designed for homebuyers and sellers, showing coverage and options available. It is important to understand what is and isn't covered in your specific plan, as well as coverage limitations.

5

Why choose First American? First American is a leading provider of home warranties with the experience and strength of an industry leader. For over 35 years, First American has provided quality protection for homeowners across the nation, through more than 12 million home warranties.

*In some instances, Homeowner and First American may agree to payment of cash in lieu of repair or replacement. Payment will be made based on First American's negotiated rates with its suppliers, which may be less than retail. Please review the sample contract for specific coverage, terms and limitations.

How the Home Warranty Service Process Works

A new home can be rewarding and it can also be challenging when an appliance or home system isn't working. With a home warranty from First American, you have an easy solution when a covered item breaks.

Request Service from First American

1. You can request service online or by phone. Either way, make sure we have your current email address and phone number so we can send you updates about your service request.
 - o Sign in at fahw.com
 - o Call 800.992.3400
2. Pay the service fee.
3. We'll assign a service provider who will call you to schedule an appointment. If we have your contact information we'll send you the contractor's name and information via email or text.

Problem Diagnosis

1. At the appointment, the technician will diagnose the problem and, if needed, report the findings to us.
2. Once we confirm that the problem is covered by your contract, we will approve the repair, and the technician will proceed with fixing the problem.

If Parts Are Needed

- If the contractor doesn't have parts that are needed to complete the repair, we'll do our best to get them as quickly as possible. Usually, parts are easy to acquire, however, sometimes there are delays in securing parts or equipment.
- The contractor will set up an appointment to complete the repair once the parts have been secured. There is no additional service fee charge to complete the repair.

Repair or Replacement

- If parts are not needed, often the technician will be able to repair the item that day.
- If your covered item cannot be repaired, we will replace it with an item with similar features, efficiency, and capacity.*

*For kitchen refrigerators, repair or replacement of ice makers, ice crushers, beverage dispensers and their respective equipment will only be completed when parts are available.

Re-key Service

Homebuyers, start enjoying the benefits of your home warranty coverage on day one. You can use this one-time service to get up to six locks re-keyed and receive four copies of the new keys.

- Request re-key service at firstamrealestate.com or call 800.992.3400 and pay the service call fee.
- We will send a locksmith to re-key your locks.

You can rest easy knowing your home is more secure. See page 9 for details.

HVAC Tune-up

When you purchase our HVAC Tune-up option, you can schedule pre-season tune-ups for your home heating and cooling systems. Regular maintenance helps these systems run efficiently to keep your heating and cooling costs down, and ensures they are in top shape before the heat of summer or cold of winter when you need them most. See page 11 for details.

With this optional coverage you can request service twice each year. A service call fee will apply for each visit.

6. Solar systems and components including holding tanks are not covered. System management or zone control systems (whether manual, electronic, computerized or pneumatic) are not covered.
7. Company is not responsible for the following: any corrections, repairs, replacements, upgrades, inspections or other additional costs to comply with federal, state or local laws, utility regulations, zoning or building codes; paying any costs relating to permits, haul away fees, construction, carpentry or relocation of equipment; gaining or closing access to Items except where noted in this Contract; and, alterations or modifications made necessary by existing equipment or installing different equipment except where noted in the Central Air Conditioning section of this Contract. 10. Company will determine, at its sole discretion, whether a covered system or appliance will be repaired or replaced. When replacing any appliance, Company will not pay for any failures that do not contribute to the appliance's primary function including, without limitation, TVs or radios built into the kitchen refrigerator. Company will replace with equipment of similar features, efficiency and capacity but is not responsible for matching brand, dimensions or color. Company may install a smaller capacity unit, including but not limited to water heaters and furnaces, if the projected output of the replacement unit is similar to, or greater than, the replaced existing unit. When coverage has been confirmed and a replacement is needed, Company is not responsible for matching any features of an existing item that do not contribute to the primary function of that item.
11. Company reserves the right to obtain a second opinion at its expense. If Company informs you that a malfunction is not covered, you must ask Company for a second opinion from another Service Provider within 14 days of notice. Company will not reimburse for provider you select, not contracted with Company, to perform a second opinion. Company will dispatch a second Service Provider to diagnose the malfunction. If the outcome of the second opinion is different from the first opinion, Company will accept coverage under this Contract. If your requested second opinion's diagnosis is the same as the initial opinion, you will pay an additional service call fee.
12. Company is not responsible for repairs and/or replacements that are subject to a manufacturer's, distributor's or in-home warranty or subject to a manufacturer's recall. Covered systems and appliances must be domestic or commercial grade and specified

by the manufacturer for residential use.

13. Company is not responsible for repair or replacement of any system, appliance, component or part thereof that has previously, or is subsequently, determined to be defective by the Consumer Product Safety Commission or the manufacturer, and for which either entity has issued, or issues a warning or recall, or when a failure is caused by manufacturer's improper design, use of improper materials, formula, manufacturing process or manufacturing defect.
14. This contract does not cover routine maintenance.
15. You and Company may agree on payment of cash in lieu of repair or replacement. Payment is made based on Company's negotiated rates with its suppliers, which may be less than retail. If you accept cash payment, you are required to repair the Item or provide a new replacement and send proof of repair or replacement to Company. The Item will not be covered under this or future Contracts until such proof is provided.

CUSTOMER SERVICE

The Service Provider will contact you to schedule a mutually convenient appointment time; You will take reasonable measures to prevent secondary damage caused by a failed system or appliance. If you should request Company to perform service outside of normal business hours, you will pay additional fees, including overtime charges. RESOLUTION OF DISPUTES

This provision constitutes an agreement to arbitrate disputes on an individual basis. Any party may bring an individual action in small claims court instead of pursuing arbitration.

All disputes and claims arising out of or relating to the Contract must be resolved by binding arbitration. This agreement to arbitrate includes, but is not limited to, all disputes and claims between Company and the Homeowner, Company and the Seller, and claims that arose prior to purchase of the Contract. This agreement to arbitrate applies to Company, Homeowner and Seller, and their respective parent and subsidiary companies, affiliates, agents, employees, predecessors and successors in interest, assigns, heirs, spouses, and children. **As noted above, a party may elect to bring an individual action in small claims court instead of arbitration, so long as the dispute falls within the jurisdictional requirements of small claims court and remains in that court.**

Any arbitration must take place on an individual basis, and Company, the Homeowner and the Seller agree that they are waiving any right to a jury trial and to bring or participate in a class, representative, or private attorney general action, and further agree that the arbitrator lacks the power to consider claims for injunctive or declaratory relief, or to grant relief affecting anyone other than the individual claimant. If a court decides that any of the provisions of this paragraph are invalid or unenforceable as to a particular claim or request for a particular remedy (such as a request for public injunctive relief), then that claim or request for that remedy must be brought in court and all other claims and requests for remedies must be arbitrated in accordance with this Contract.

The arbitration is governed by the Consumer Arbitration Rules (the "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Contract, and will be administered by the AAA. Company will pay all AAA filing, administration and arbitrator fees for any arbitration it initiates and for any arbitration initiated by

another party for which the value of the claims is \$75,000 or less, unless an arbitrator determines that the claims have been brought in bad faith or for an improper purpose, in which case the payment of AAA fees will be governed by the AAA Rules.

The arbitration will take place in the same county in which the property covered by the Contract is located. The Federal Arbitration Act will govern the interpretation, applicability and enforcement of this arbitration agreement. This arbitration clause will survive the termination of this Contract.

This arbitration provision does not prohibit an Arizona resident from following the process to resolve complaints under the provisions of A.R.S. §20-1095.09, as outlined by the Arizona Department of Insurance and Financial Institutions. To learn more about this process, you may contact the Arizona Department of Insurance and Financial Institutions at 100 N. 15th Ave., Suite 261, Phoenix, AZ 85007-2630, Attn: Consumer Protection or at (602) 364-2499. You may directly file any complaint with the A.D.I.F.I. against a service company issuing an approved service contract under the provisions of A.R.S. §20-1095.04 and/or §20-1095.09 by contacting the Consumer Protection Division of the A.D.I.F.I. at (602) 364-2499.

AGREEMENT

You and Company are parties to the Contract (Parties). This Contract constitutes the entire agreement between the Parties and supersedes all prior and contemporaneous agreements and understandings of the Parties. No modifications to this Contract are effective unless in writing and signed by both Parties.
