Any floorplan or elevation rendering is an artistic conceptual rendering intended to provide a general overview, but any such rendering does not constitute actual plans and specifications for any home. Renderings and pictures are illustrative and may depict standard, available, optional, upgrade, landscaping, and other features and amenities that are not included as part of all homes unless otherwise specified. Dimensions may not be drawn to scale. Square footages and dimensions are approximate and may vary in construction and depending on the treatment of measurement used, engineering and building requirements, or other site-specific conditions. Home is to be constructed with a foundation that is the course of the finished rendering. Plans are subject to change without notice. Meritage Homes reserves the right to change or cancel the rendering or model without Meritage's prior written consent. Plans and specifications, home features, and construction information are subject to change, and home is to be built, at any time without notice or cost. Pictures and other promotional materials are representative and may depict or contain false plans, square footages, elevations, options, upgrades, landscaping, and other features, appliances, and finishes. Dimensions and square footages are not included as part of the home unless otherwise specified.
