Any floor plan and elevation rendering is an artist's conceptual rendering intended to provide a general overview. Building and rendering lines do not indicate actual plans and specifications for any home. Floorplans and photos are representative and may depict features, amenities, fixtures, landscaping, and other features and materials that are not included in part of all homes in one way or the other for all communities. Technology may not be shown to scale. Specific features and dimensions are approximate and may vary in individual cities and depending on the standard of measurement used, engineering and marketing requirements, or other site-specific conditions. Plans may be corrected with a change order. Plans are subject to change without notice. Plans and specifications, home features, and all company information are subject to change and become void prior to sale. All items without notes or callouts. Photos and other promotional materials are approximate and may appear in certain floor plans. Square footage, dimensions, volume, appearance, and other home features, specifications, and design details are not intended to be included as part of this home's price and may not be available in all communities. Ask an agent or architect to call your company. Offer is subject to change without notice. See sales associate for details. Meritage Homes®. Setting the standard for energy-efficient homes.™ LIFE.
