Is credit repair legal?

Credit repair is 100% legal. The Fair Credit reporting Act gives you the right to dispute any item on your credit reports. If an item cannot be verified it must be removed. This will immediately boost your credit score.

How does credit repair work?

79% of all credit reports contain errors. This means that most credit reports can be improved instantly. The next step is to work with creditors to negotiate removal the information.

Credit repair is especially effective after a credit score collections, delinquency, bankruptcy, divorce, Identity theft or foreclosure. We will guide you every step of the way to review your credit reports. We create powerful letters written by attorneys that place the burden of proof on the credit bureaus and creditors.

You will monitor your progress every step of the way. Our financial experts will also help you to keep your finances organized so you will never wind up with bad credit again.
